12 The Sub Divl officer Mr M. Abdul Hukh before whom the matter went up, conducted an elaborate enquiry, and directed the registry of the office of Archakship in the name of the respondent Ramanuja as being the only person who can rightly succeed to the office of his maternal grand-father. and requested the Tahsildar to put Rangachar in charge of the office, and take possession of the temple inam lands from the apltt. Subba Rau - and deliver the same to the Registrar. As regards the apltt, he remarked that the apltt. claimed the post thro. his uncle who was only a Jumasha for one Srinivasa and stepped into the shoes of his uncle since 1916. and further that he (Subba Rau) who is in the permanent employment of Govt as a School master should not have been permitted

Against this order, Subba Rao appealed to the D.C. and that officer dismissed the appeal with the observation that the apltt's family was not registered as karamavaran at any time that he claimed the office as a Sumastha and that it was open to him to establish his right by a regular suit. Subba Rao appealed to the D.C., and that officer has rejected his suit with the observation that as neither of the parties claim the office by virtue of direct succession to the original holders who were Satanis, and that he saw no reason to differ from the concurrent findings of the D.C. and sub. It has been established by the enquiry held that ~~the~~ Sathanis were the archaks of this temple some 50 years ago. The Appellant claims that the Sathani archaks transferred the archakship

archakship and the Inam lands of the temple to his uncle. The transfer is not supported by the approval of any Muzrai authority competent to sanction it. The Respondent claims the right to the archakship through his maternal grand-father, but he can neither explain how the latter got it, nor adduce any evidence in support of it. The members of the Respondent's family have not performed as a matter of fact, the duties of the archak for a long period and this is stated to be the result of ~~the~~ an arrangement according to which the Appellant uncle was treated as the gumasta for the performance of this work. This arrangement of gumasta is not also supported by the approval of any Muzrai authority. Neither party has any hereditary right to the office of the archak and the other considerations urged by them in their favour, are not entitled to much value. The Appellant is a school-master and ~~is liable to transfer~~ may not at any time be transferred from Partha. The Respondent is the archak of three other temples, viz., those at Tavarakere, Peanapalaya and Bychugupee. It will not be in the interests of the temple to appoint either of them as its archak. BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE, BANGALORE.

APPELLANT:- V. G. Subba Rao, Schoolmaster, Varthur Village, Tavarekere Hobli, Magadi Taluk.

--(VS.)--

RESPONDENT:- Kesavachar, son of Srinivasachar, Tavarekere, Magadi Taluk.

The Appellant begs to appeal against the Order of the Muzrai Commissioner in Mysore in Appeal No. 28 of 28-29 dated 23-5-1929, confirming the order directing the Registry of the office of Archakship of Sri Anjaneya Swami Temple at Varthur in the Magadi Taluk being made out in the name of the Respondent, on the following among other

G R O U N D S :-

1. The learned Muzrai Commissioner erred in holding that the Respondent had made out a better claim to the Office than the Appellant without stating his reasons for so doing.

2. The Muzrai Commissioner, like the Deputy Commissioner, has failed to give his finding on the point of Law urged by the Appellant

Appellant that under Hindu Law the Respondent could not inherit to xx his maternal - grandfather's undivided younger brother, Srinivasaiya, who held the office last according to the Respondent (which, of course, the Appellant does not admit.)

3. The Muzrai Commissioner, who admits that neither of the parties claim the Office by virtue of direct succession to the original holders who are Satanies, should - have held that the Appellant has made out a better case as he claims from these very - Satanies xx in preference to the Respondent who denies that the Satanies were the original holders.

4. The Kandayam Receipts and Patta - Books since 1881-82 produced by the Appellant falsify the Respondent's case that his grandfather's younger brother, Srinivasaiya, appointed the Appellant's uncle in the year - 1890 alone.

5. The Lower Officers further erred - in ignoring the important fact that even the false lease deed of 1890 relied upon by the Respondent and produced at a very late stage of the case, recites that the Kandayam Receipts should be with the Respondent while they are with the Appellant and produced by him in the case.

6. The Respondent gave his grandfather the

the false name of Venkataiya (alias Venkatachar) for the purposes of this case, because the name of the original holder Satani was also Venkataiya while, in fact, the grandfather's actual name is Venkatarangachar, as described by the Respondent in a Geneological Tree furnished by him in the Kunigal Taluk - Office, a Certified Copy of which was produced by the Appellant before the Deputy Commissioner. This aspect of the case was not even considered by the Lower Officers, and t h e - Appellant's Application to the Deputy Commissioner to prosecute the Respondent for Perjury appears to have been totally ignored.

7. At all events the Appellant, who has been in possession of the Office in question for over 50 years, is in Law entitled to continue to be in possession until the descendants of the original holder Satanies come forward, (or, even according to the Respondent, - until Srinivasaiya's heirs under Hindu Law establish their better claims).

8. The Muzrai commissioner failed to consider that the Respondent, who was advancing inconsistent pleas, was not entitled to any relief. These inconsistent pleas, which took the Appellant by surprise at the trial, are:-

His case from the beginning is that his maternal grandfather's family was the origi-

nal

original Hakdar since three generations and that he claims as a descendant from such - Hakdars, but the evidence adduced by him at the Trial before the Sub-Division Officer - was to the effect that the Satanies were the original holders and that his maternal grandfather somehow got it from them for the first time between 1880 and 1890.

9. It is assumed by the Sub-Division Officer, without any kind of proof, that the Respondent's grandfather got the office from the Satanies, in spite of the party's allegation to the contrary, while the Appellant's - case that he got it from the Satanies is disbelieved, though it is not denied by the other side.

10. The Order appealed against is otherwise opposed to Law, facts and probabilities - of the case.

WHEREFORE, the Appellant prays that the entire proceedings connected with the case be obtained, and that the Registry of Office in question be ordered to be made out in the name of the Appellant and the office with the Inam lands confirmed to him, directing t h e Respondent to establish his claim in a Civil Court.

He further prays that, pending disposal of this Appeal, the Order appealed aga-

inst

against be stayed. Such a Stay Order had been issued both by the Deputy Commissioner and the Muzrai Commissioner.

Subject Appeal against the order of the Deputy Commissioner Bangalore District dismissing the appeal of V.G. Subbarao against the order of the Sub-Division officer Closepet directing the registry of the office of the archakship of Sri. Anjaneyaswami at Varthur in the name of the respondent

Facts of the Case

The above temple is a muzrai institution endowed with inam lands of an extent of 6-12 as detailed in the margin. In a petition of 29-11-1926 to the amildar the respondent claimed the archakship of the temple as the legal heir of the previous hakdar archak and requested that the archakship may be got back to him from the appellant the amildar enquired into the case and examined witnesses on both sides but on account of two parties in the village who took sides no definite opinion of the villagers could be got. And as no documentary evidence was produced the amildar felt a

doubts as to the rightful heir and recommend B1
the appointment of respondent who was found to (Reports p 324)
be a fit person as pujari as the appellant
was a School master On this recommendation,
the Sub-Division officer ordered on 16-2-24 that the B1
Karavandars might establish their right in a
Court of law and that till then Kesavachar (respondent)
might continue to perform puja. On 16th March
1925 the appellant approached the Sub Division C1
officer and prayed for the Cancellation of the
previous order recognising the claim of the respondent
since he had been performing the puja for the past
50 years the Sub-Division officer then ordered on
17-5-25 that the respondent Kesavachar need
not be appointed but the appellant may be
continued as archak and directed that Kesavachar
should establish his right in a competent Court.
Upon this Kesavachar went in appeal to the Dy Comr
who after hearing Counsel on both sides remanded for a decision
the Case on 30-3-26 to the Sub-Division officer on
merits observing that it was not proper for the
Sub-Division officer to decline the jurisdiction
conferred on him by Sec 33 of the Mysore Regulation
to decide pujari dispute and force parties to go to
the costly remedy of the Civil Court. In pursuance of
the order the Sub Division officer held a formal enquiry
recording the evidences of witnesses on both sides
and after examining the previous records and the
several exhibits produced by the parties and hearing
the arguments of their Counsel passed an order on
30-6-28 directing that the office of the Archak
be registered in the name of the respondent ——
Kesavachar the Sub-Division officer observed that
the appellant's uncle was only a Gumasta of the
last holder Srinivasiah that the appellant himself
stepped into the shoes of his uncle in 1916, that

was no dispute till the old gumasta was alive since he was sharing the Rajpal of the Inam lands with the Nakdar family and the dispute arose after his death the greed of the appellant to keep back the share of the respondent's family having brought matters to a head and resulted in them pulling forward their claim to discharge the archak duties themselves. It was further held by the Sub-Division officer that the respondent derived his title as dowhitra through his mother Nachamma daughter of the elder brother of Srinivasaiah the last holder of the office, who and whose younger brother Gopaliah died without any children and that he was the only person who could rightly succeed to the office the amildar was asked to put the respondent in charge of the office and take possession of the Inam lands from the appellant V.J. Subba Rao and deliver the same to the appellant. Against this order the appellant went in appeal to the Deputy Commissioner who dismissed the same on the ground that the Muzrai regulation did not debar a daughter or her son from inheriting the office of an archak and as such the right of the respondent to succeed to the office cannot be questioned and that the appellants family was not at any time registered as baradars and the claim was as a gumasta and it was open for him to establish his right by a regular suit the present appeal is against

as well as the respondent are heard

Order No R Dis 179 of 28-29 dated 23-5-29

Neither of the parties claim the office by virtue of direct succession to the original holders who were Sataris. On the whole I see no reason to differ from the concurrent findings of the Deputy Commissioner and the Sub-Division officer that the respondent has made out a better claim to the office. Honoured Sir,

Archikship of Sree Anjaneyaswamy
Temple at Varthur, Thavarekere Hobli
Magadi Taluk.

In connection with the dispute for the hakdari of the above archikship that has nowcome up to your table for decision, we the residents of Varthur Village, beg to lay before you the fallowing facts:-

The original hak for the above archikship is stated to belong to one Vengaliya of a Satani Family who/sons left the place some 50 years ago during the great famine, handing over the charge of the archikship to one Subbiah of the same vallage whose descendants are performing the puja ever since then. to the entire satisfaction of all of us. But very recently a rival belonging to a Sri-Vyshnava Family by name Kesavachar has sprung up and is contesting for the archikship of the Satani Family stating that the original hakdars were also Sri-Vyshnavas. and that he descended from them which is not true.

This Kesavachar is not a resident of this place and is a litigant always wandering to courts. He somehow managed to get charge of the archikship very recently and ever since he took charge, no pooja is being performed in the temple.

The previous archik Subbaiah who is now appealing

ever giving room for a single complaint. It is/an real y injustice that this man should be deprived of the archikship whose family has been doing the pooja for the last 50 years without any break. We therefore request you to kindly confirm the archikship.on this man in view of the fact that thare are no original hakdars existing and that this man is doing the work from a long time regularly and satisfactorily, so that there may be regular pooja in the temple hereafter at least.

We beg to remain,.

Muzrai Appeal No. 11 of 29-30.

APPELLANT;- RESPONDENT:-

V. G. Subba Row. -(Vs)- Kesavachar.

@ @

The Appellant begs to submit the following arguments:--

1. (a) The Inam title deed was in the possession of the appellant and is produced by him in the case.

(b) The pattas and Kandayam receipts from 1881 to 1927 have been produced by the appellent which show beyond all doubt that his uncle Subbaiya has been, - since 1881, doing the Archana work and enjoying the - lands. The possession of these Kandayam receipts with the appellant does not consist with the recitals in the alleged lease deed of 9-5-1890 according to which they should be with the respondent.

(c) In the Sidharti chitti of 1859 -60 the - Archak name is Yengalaiya.

(d) In the Khatwar of 1875-76, Yengalaiya, Venkataiya and Narasaiya have been mentioned while the - siggature there-in appearing is Yengaiya.

2. These facts probabilise beyond doubt that Satanies were hakdars and that about prior to 1881 they handed over the Inam lands and archana work to the Appellant's uncle and that Venkataiya and his son Narasiya executed the deed of 1890, while these facts are totally inconsistent with the Respondents case that the Hak belongs to his grandfather and his ancestors and that under his lease deed of 9-5-1890, Subbaiya was let into possession.

3. In the Mohazar drawn up in 1917-18 by the Amildar Mr. A. Raja Row, the villagers have stated tha the original hadkars were Satanies and that the appellants uncle got it from these ~~Hakdar~~ Haldar Satanies. Mr. K. Ananthapadmanabhaiya B.A., B.L., as Amildar in his final report No. 810, dated 13-2-1924 has reported that the Respondent is a new man.

4. It is a finding of fact by the Sub Division Officer that the original Hakdars were Satanies and this finding is confirmed by the Muzrai Commissioner in his order. The Appellants case that he has divided his title from these Satanies is therefore more believable than the Respondent's palpably false story that the Hak belongs to his grandfather and his ancestors, and that it never belonged to Satanies. Further while the appellant's title deed of 1890 is clearly from these Satanies, the recital in the Respondent's forged deed of 9-5-1890 is that his ancestors have been doing the work from time immemorial. If the Appellents deed of 1890 cannot be acted upon for want of registration, the Respondent's deed of 9-5-1890 is equally invalid for want of registration.

The

The Appellants document is a stamped paper and one - of ~~the~~ its attestors Eerachannaiya has been examined while the Respondents lease deed is plain paper and none of its attestors has been examined.

5. The evidence adduced by the appellant ~~with his case~~ in the course of the trial is totally inconsistent with his case. While he says that the - Hak belongs to his maternal grandfather and ancestors, his own witness Narayani admits that the Satanies were the original Hadkars and not the Respondent's ancestors. While the Respondent avers that his grandfather did not get it from the Satanies, the Sub Division Officer makes out a new case for him thus. He finds that the Satanies were Hakdars but concludes without anykind of evidence that the Respondent's grandfather somehow got the Hak - from them prior to 1876-77. The title deed relied upon by him is wrongly interpreted and understood by him.

6. Both the Deputy Commissioner and the Muzrai Commissioner have ignored the most important fact that the Respondent had given to his grandfather the false name of Venkataiya alias Venkatachar for the purposes - of this case with the fraudulent object of fitting in with the Satani name of Venkataiya. His grandfather's name was in fact Venkatarangachar as described by him - in a geneological tree furnished by him in the Kunigal Taluk office, in a patta case of the same grandfather's - lands claimed by him as Douhitra. This aspect of the - case has been ignored in the lower courts.

7. As stated by the Respondents, his grandfather Venkatarangachar had two younger brothers viz., Srinivasachar and Gopalachar. But in the khatuni extract of 1876 77 totally

totally different names viz., Yengalaiya, Venkataiya and Narasaiya appear. This inconsistency cannot be explained at all if the Respondent's case is believed while this is the Appellant's very case.

8. The appellent's possession and enjoyment for over 50 years have not been considered.

9. The villagers and devotees do not want the Respondent to do the work. Firstly because he is residing in a different village and secondly because the Swami was being till now worshipped according to Smarthagama while the Respondent being a Srivaishnava does service according to a different agama altogether. In this connection, the Appellant ~~himself~~ humbly suggests that as done by the Muzrai Commissioner in several such other disputed cases the votes of the villagers as between the appellant and the Respondent may be taken and he that get a majority may be ~~preserved~~ preferred.

10. Further S. 36 of the Muzrai lays down that when a majority do not want a Pujari, he should be removed. In the present case, the villagers in an overwhelming majority do not want the Respondent while it is a finding of fact that Satanies and not he are Hakdars.

W H E R E F O R E the appellant prays that the appeal be allowed.

Appeal against the order of the Muzrai Commissioner, directing that the Archakship of Sri Anjaneyaswamy temple at Vartur be made out in the names of the Respondent.

The case was heard on the 17th February 1930. The Appellant was present and was represented by Mr. S. Krishnappa. The Respondent was present and his Layer Mr. S.N. Narahariaiya appeared for him.

O R D E R .

It is clear from the records that neither the Appellant nor the Respondent has any hereditary hak to the archakship of the temple of Sri Anjaneyaswamy at Varatur in the Nagadi Taluk. It has been established by the enquiry held that Satanis were the archaks of this temple some 50 years ago. The Appellant claims that the Sathani archaks transferr the archakship and the Inam lands of the temple to his uncle. The transfer is not supported by the approval of any Muzrai authority competent sanction it. The Respondent claims the right to the archakship throug

o an arrangement according to which the Appellant's uncle was treated as the gumasta for the performance of this work. This arrangement of gumasta is not also supported by the approval any Muzrai authority. Neither party has any hereditary right to the office of the archak and the other considerations urged by them in their favour, are not entitled to much value. The appellant is a school-master and may at any time be transferred from Varatur. The respondent is the archak of three other temples, viz., those at Tavarekere, Pednapalaya and Rythuguppe. It will not be in the interests of the temple to appoint either of them as its archak In view of all the circumstances of the case, it is desirable to appoint some other suitable person as the archak of the temple and action should be taken accordingly under Section 35, Muzrai Regulation of 1927.
